

## Heavy Duty Black LED Pilot Lamp

Sold Individually

www.qvee.com.au

### DESCRIPTION

12/24V LED continuous dome pilot light.  
16mm diameter mount hole. IP67 rated.

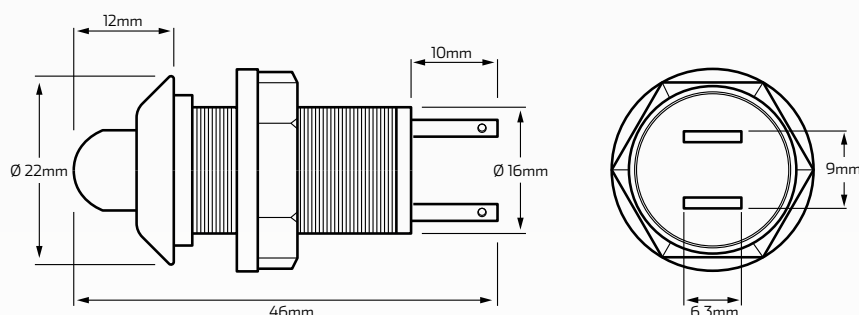

These lamps have a heavy duty construction and are suitable for extreme applications.

Epoxy filled electronics for added protection

### FEATURES

- Continuous LED illumination
- Multi-voltage
- Epoxy filled electronics for enhanced moisture and vibration protection
- Reverse polarity protected
- Water and dustproof - IP67 rated
- Made in Australia

### TECHNICAL SPECIFICATIONS

<b>Voltage</b>	• 12 - 24 Volt (Except LEDPLTRI24)	<b>Operating Temperature</b>	• -24°C - 50° C
<b>Material</b>	• Polymer Body, Polycarbonate Lens	<b>Mount</b>	• Ø 16mm
<b>Light Source</b>	• LED (Continuous)	<b>Max Panel Thickness</b>	• 29mm
<b>IP Rating</b>	• IP67 Rated	<b>Dimensions</b>	• 46mm x 22mm

Part Number.	LED Colour	Descriptions
LEDPLBMV	• Blue pilot light	• 12/24 Volt blue LED continuous pilot light. 16mm diameter mount hole. IP67 rated.
LEDPLGMV	• Green pilot light	• 12/24 Volt green LED continuous pilot light. 16mm diameter mount hole. IP67 rated.
LEDPLRMV	• Red pilot light	• 12/24 Volt red LED continuous pilot light. 16mm diameter mount hole. IP67 rated.
LEDPLYMV	• Yellow pilot light	• 12/24 Volt yellow LED continuous pilot light. 16mm diameter mount hole. IP67 rated.
LEDPLTRI24	• Tri-colour pilot light	• 24 Volt tri-colour LED continuous pilot light. 16mm diameter mount hole. IP67 rated.
